A UNIQUE SEASONING

*This product will add more flavor and color to your food.*

*Put more flavor into your dishes with Sazon Goya...  
Just cook the way you always cook, the same recipes, the same seasoning, changing nothing. Except: for every 4 people your recipe serves, just add one packet of Sazon Goya. Two packets for a dish for 8. You'll wonder how you ever did without it. Use it for meats, stews, soups, poultry, pasta, rice, beans, vegetables - everything.*

Un sobrescito de este condimento especial para arroz, asopao, habichuelas, frijoles y guiso, le dará a dichos platos un exquisito sabor y un precioso color. Añada el contenido completo de un sobrescito al agua (o caldo) con que prepare esos platos y condimentelos como usted siempre acostumbra para que toda la familia quede encantada.
